The crossword puzzle grid consists of the following structure of empty cells:

- A vertical column of 6 cells.
- A horizontal row of 6 cells, intersecting the vertical column at the 3rd cell from the top.
- A vertical column of 3 cells, starting from the 2nd cell of the horizontal row and extending downwards.
- A vertical column of 3 cells, starting from the 6th cell of the horizontal row and extending upwards.
- A vertical column of 3 cells, starting from the 4th cell of the horizontal row and extending downwards.

Illustrations are placed around the grid:

- A hamster is above the top cell of the 6-cell vertical column.
- A dog is to the left of the 2nd cell of the 6-cell vertical column.
- A mouse is to the left of the 3rd cell of the 6-cell vertical column.
- A rabbit is to the left of the 4th cell of the 6-cell vertical column.
- A bird is to the right of the 4th cell of the 6-cell vertical column.
